

## MappOptimist Technologies

### Introduction

MappOptimist Technologies ("we," "us," or "our") respects your privacy and is committed to protecting it through our compliance with this privacy policy. This policy describes:

- The types of information we may collect or that you may provide when you access or use our IT solutions and services (the "Services").
- Our practices for collecting, using, maintaining, protecting, and disclosing that information
- This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect in MappOptimist Technologies. This policy is not applicable to any information collected offline or via channels other than this website.

### This policy applies to information we collect:

- In email, text, and other electronic messages between you and us.
- Through mobile and desktop applications you download from our website or other online platforms, which provide dedicated non-browser-based interaction between you and our Services.
- If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

### Consent

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. By accessing or using our Services, you agree to this privacy policy. If you do not agree with our policies and practices, your choice is not to use our Services.

## Information We Collect About You and How We Collect It

We collect several types of information from and about users of our Services, including:

- **Personal information:** Information by which you may be personally identified, such as name, postal address, email address, telephone number, or any other identifier by which you may be contacted online or offline ("personal information").
- **Non-personal information:** Information that is about you but does not identify you individually, such as usage details, IP addresses, and information collected through cookies and other tracking technologies.

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

## How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information:

- To present our Services and their contents to you.
- To provide you with information, products, or services that you request from us.
- To fulfil any other purpose for which you provide it.
- To carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- To notify you about changes to our Services or any products or services we offer or provide through them.
